## Advertising Agency Berlin

Welcome!

Advertising Agency Berlin, Germany - this is who we are and what we do:

Advertising Agency Berlin is our name and PUBLIC relations is our game. We make ads both for national and INTER-national campaigns while assuring our clients top-level WPP (wide product placement) and palpable OMNI-presence.

We are THE Advertising Agency Berlin:

Smart. Direct. And competitively priced.

Founded by Volker Berlin in 1999, our company is creative, professional and economical.

We offer:

### Advertising & Ad Campaigns

Standard publicity or Guerrilla ads, pragmatic, apt and multimedial: Advertising Agency Berlin - creative and effective.

### Graphics, Illustration and Design

Advertising Agency Berlin offers quality Berlin-made designs from logos to business cards to stationary to brochures and posters and more!

### Web Design & Web Development incl. E-commerce

Have your Internet presence tailored to you and your target audience with Berlin Advertising Agency's search engine optimization.

## Image Films and Product Videos

Animate your customers with our wide selection of multi-media advertising options from image films to product videos, TV commercials to movie trailers. And now with animation!

## Marketing and Public Relations

First there was the bargain, then the market - we prove it: PR Berlin.

We founded Berlin Advertising Agency to make advertisements in Berlin for anywhere and everywhere. We care about ads that are made to impress and persuade. Anything less we leave to our competition.

Custom-tailored to fit small and medium-sized companies, we offer an unbeatable combination of low rates and high performance. We look forward to working with you and promise a creative and effective collaboration.
